

BIOFUEL

SUMMIT & EXPO

For Sustainable Biofuels

Call for Papers and Posters

OVERVIEW

Survey wants to invite all those interested in submitting a research-based paper related to sustainable biomass or bio fuels for presentation or a poster for exhibition in one or several of our Summits.

Selected papers and posters will provide you the opportunity to meet other professionals of the field with similar interests, while attending a programme that brings the latest in plant technology and equipment, legislation, governmental programmes, etc; you will have an opportunity to learn from refereed papers and invited talks. Furthermore, the poster exhibit will allow you to discuss your work with the conference attendees.

Authors of selected papers have free entrance to the exhibition and conference areas at all days.

PAPERS

The Papers provide an excellent forum for authors to present their work. The intention of the paper is to provide authors and participants with the possibility to engage in discussions about their work. Therefore you will have 20 minutes of presentation time and 10 minutes of questions and answers during one of the three Summit Days.

The paper should be related to research activities, social or humanitarian projects, relevant to the sustainable production of Biomass or bio fuels (bio diesel, bio ethanol, biogas), feedstock supply, fuel properties, new technology or equipment and other general topics.

AWARD

The best Paper will be awarded with the 2008 /sponsor name/ Best Paper Award.

The winning author will get a complete refund of his conference entrance fee.
